Police & Crime Commissioner 'Safer Town Centres' Grant Scheme 2025: Halloween, Bonfire Night & Christmas Focus

Guidance Notes

The Commissioner continues to offer statutory, third & business sector organisations/partnerships the opportunity to bid for funding to implement measures in towns/park areas across Hertfordshire, with a new focus on bids that seek to tackle issues of crime/antisocial behaviour (ASB) during Halloween and Bonfire Night and in the lead up to Christmas.

The 'Police & Crime Plan 2025-29: Fighting Crime, Making Hertfordshire Safer' contains a focus on safer neighbourhoods/tackling crime & ASB as illustrated by the following actions within the plan:

Within Priority 1 Make Hertfordshire Safer/Safer neighbourhoods

- *Fund 'safer streets' interventions at neighbourhood level, securing match funding where possible, to undertake proactive, place-based crime reduction*
- *Focus on town centres to ensure they are safe places where businesses want to invest, and people want to spend their time*

Within Priority 3 Tackle Crime & Anti-social Behaviour/Night-time economy

- *Work with local authorities and venues to ensure our towns remain safe places for people to enjoy themselves*

Improving safety in town centres is a key priority for the Commissioner. In response to public demand for more visible and responsive policing, including tackling ASB and disorder in communities, the Commissioner launched Operation Hotspot in 26 hotspots, primarily town centres. In its first year, Operation Hotspot delivered over 26,000 of additional high visibility police patrols, cutting crime, ASB and violence by 14.5%.

The Commissioner is now working with the police, local authorities, and business groups to build on this progress, with a concerted programme of activity to make Hertfordshire's town centres safer, including high priority parks.

To support this work, the Commissioner is offering statutory, voluntary/community & the business sector/Business Improvement Districts the opportunity to bid for funding to implement measures to tackle issues in those areas with a particular focus on the Halloween, Bonfire Night & Christmas periods.
