

Decision by the Police and Crime Commissioner for Hertfordshire

Item: Undercover Policing Assurance

Date: 02 March 2021

Decision: The paper was approved at the above Decision-Making Meeting.

The means by which the PCC receives assurance from the Constabulary with regard to under cover policing was agreed.

Background: The PCC receives a report each year on under cover policing in order to gain assurance that this necessary but potentially controversial aspect of policing is being conducted by the Chief Constable in accordance with the law, fairly and proportionately. The report is intended to review the assurance received and to consider if any changes are required to future reporting.
