Subject: Funding for Agile Project Management Training

Report of: Office of the Police and Crime Commissioner

Date: 09/03/2026

Summary

The Police and Crime Commissioner has agreed to:

- Approve funding of £9,000 to provide Agile Project Management Foundation and Practitioner training for four OPCC PMO staff, including an additional specialist change management course for the PMO Lead.
- Strengthen organisational project delivery capability through accreditation-based training aligned to the OPCC's oversight responsibilities and the Police and Crime Plan.
- Support the adoption of structured, iterative delivery methods suited to complex policing environments, improving governance, prioritisation, and risk management across OPCC projects.

This investment enables the PMO to act as an internal centre of excellence, enhancing delivery standards and reducing long-term reliance on external consultancy support.
